Attention Red Cross Convenors, Women's War Work Committee

Mrs. W. R. Campbell, National Chairman, Women's War Work Committee, has notified all Divisions that space is available upon the ships for Red Cross supplies, and is desirous that all Red Cross workers redouble their efforts for the month of June.

"We beseech Canadian women to rally to the cause of our brave defenders, and while we realize that this is a difficult time of year for many people, it should be remembered that for them the war is gathering momentum, and for us it is little enough to give a few hours each day to a job we can still accomplish from the safety of our comfortable workrooms or the shelter of our homes."

Women of the Red Cross: Work, knit, sew, pray. The men, women and children of Britain deserve no less from us.

School Board Buys \$1,000 Victory Bond

The regular meeting of the Champion Consolidated school board was held Tuesday evening of last week, all members being present. E. Griffin interviewed the board asking their support in the Victory Loan campaign, and the members agreed to purchase a \$1000 bond.

The mill rate was set at 25 mills for the village and 14 mills for the rural districts. The resignation of Miss Schultz was accepted with regret. The inspector's report was read and received favorable comment from the board.

A Thought For Today For People At War

A number of farewell parties have been held this past two weeks in honor of Mrs. Thomas, who is leaving Champion to take up residence at 11902—91st, Edmonton, for, at least, the duration of the war. On Wednesday evening, June 11th, eleven members of the I. O. D. E., gathered at the home of Mrs. Guy Dow, to bid farewell to Mrs. Thomas. Mrs. Freeze, the Regent of the I. O. D. E., presented Mrs. Thomas with a beautiful purse on the occasion of her leaving, and in appreciation of her splendid service as secretary of the I. O. D. E. for the past two years. The party was in the form of a bonfire picnic. On the afternoon of June 17th a number of ladies gathered at the home of Mrs. (Rev.) P. Dawson to bid farewell to Mrs. O. P. Thomas. Champion-Carmangay Unit Flaunts 7 Pennants In Victory Loan Campaign

Champion-Carmangay Unit is flying 7 pennants and needs but \$1,600 to achieve the eighth—good little towns and districts—let's make it 10.

Subscriptions for Champion-Carmangay now total \$91,700.00.

Saturday, June 21st sees the close of the Victory Loan 1941 campaign. The Champion-Carmangay unit has gone over the top but the loan over Canada is still short of its objective. Your government needs every dollar that can be raised and so the local committee is making this last appeal to you to file your application before Saturday night. Even if you have purchased and still feel that you can do better we would only be too pleased to take your application. Every dollar we can raise will help to put that needed equipment in the hands of our boys who are doing the fighting for us. Remember that the second best equipment is not good enough for our boys. Let us show Canada that we can bend our backs and put our shoulder to the proverbial wheel that will grind Hitler into the ground. The local committee is pulling hard for three more pennants.

"Ottawa, June 18, 1941.

"Chronicle, Champion:

"Canada's 1941 Victory Loan should reach the minimum objective by Friday if the present rate of progress is maintained. The total up to Tuesday night stood at \$538,775 000 from 603,088 individual subscribers. National headquarters will not be satisfied with the nominal objective.

JORDAN—THOMPSON

A charming June wedding delighted a large crowd of spectators when Velma Beryl, youngest daughter of Mrs. A. M. Thompson of Carmangay, became the bride of Carman Russell Jordan, son of Mr. and Mrs. George Jordan of Champion, at the United church, Carmangay, on Saturday afternoon, June 14th, the marriage being solemnized by Rev. Peter Dawson, M. L. A., of Champion.

Preceded by her sister, Mrs. Melie Howatt, the bride entered the church to the strains of Lohengrin's Wedding March, on the arm of her brother, Floyd, who gave her in marriage. Her simply-fashioned floor-length gown of white nylon, shirred at the waist and V-necked was most becoming. She wore a shoulder length veil of figured net with orange blossoms, and her only ornament was a necklace of pearls. Her flowers were a sheaf of deep red roses. The groom was supported by his brother, Bernard Jordan.

During the signing of the register Mrs. W. W. Young of Calgary, sang "O Promise Me."

Following the ceremony the bridal party and guests drove to the home of the bride's mother, where a buffet luncheon was served to 35 guests, Misses Phyllis Simmons and Goldie Geroy assisting.

The bride and groom left by car for a two-weeks' honeymoon to be spent in British Columbia.

Mr. and Mrs. Jordan will reside on the groom's farm east of Champion.

While our moisture record this year to date is 8.35 inches and that is 2.24 inches under last year that is no indication of the crop conditions as it was never a great deal better. While it is a little backward we are still "hunky Dory."

The new Mc-Drg. cream separators are causing a lot of favorable comment among the men, why not look them over ladies? They are a knockout!

OVER THE TOP

People of Champion-Carmangay are to be commended for seeing to it that the 1941 Victory Loan was given support. Every member of the Committee are to be thanked for the part they have played. Individuals have subscribed and to them thanks are due of course, but it required the leadership to bring out the best in the local field. We hesitate to point out that the value of advertising has again been exemplified but the truth of the matter is that the success of this loan as compared with the last issue is due in no small degree to the advertising and publicity stunts.

This part of Alberta is

considered one of the best and the publisher of this paper feels a pride in knowing that the response has been what it has. It has been said time and time again that the Canadian people do not fully realize the seriousness of the situation. A provincial premier in mentioning this has stated people rely on the invincibility of the Empire, and are not doing their share in making such a hope certain. We are not concerned with the spirit of the people of this district for we know that

whenever an emergency arises they will respond.

ABILITY RECOGNIZED

The Chronicle joins with other papers in expressing pleasure at the gracious act of The King in honoring Alberta's own R. B. Bennett. Rt. Hon. R. B. Bennett, former Prime Minister of Canada, who may be known later as Lord Calgary had many friends in Champion and Carmangay and this paper too feels that in honoring him the Empire will be repaid by his ability and work in the House of Lords at this critical time.

HELP TO KEEP THE "FRONT LINE" AWAY FROM YOUR DOORSTEP

Urge Your Menfolk to Buy Victory Bonds NOW

You can no longer depend upon the Atlantic Ocean for protection. Any day between breakfast time and noon, a bombing plane can fly from Greenland to our own Maritimes and Quebec—a mere matter of 5 hours; to Winnipeg in less than 9 hours, to Vancouver in 10½ hours. From German-occupied France, bomb-laden planes can carry destruction to Toronto, Niagara, Ottawa and Montreal in less than 10 hours. Night and day, in the British Isles and on the sea, in and out of uniform, men defend your home from attack as surely as though they stood and fought at your own doorstep. Will you help to supply them with tools to carry on the fight—*your* fight? Will you help to make certain that there shall never be an "occupied" Canada?

Your Government needs some of your savings to buy more ships, planes and tanks—munitions of war that will hurry the return of our men to their homes, insure our way of life. Lend your money by buying Victory Bonds NOW!

The money you invest in Victory Bonds will come back to you with interest. Lend your money. We must win this war. Lend to preserve the things that money cannot buy. Urge your menfolk to protect your home by investing in Victory Bonds now. All that you hold dear is threatened.

HOW TO BUY

Give your order to the canvasser who calls on you. Or place it in the hands of any branch of any bank, or give it to any trust company. Or send it to your local Victory Loan Headquarters. Bonds may be bought in denominations of \$50, \$100, \$500, \$1000 and larger. Canvasser, bank, trust company or your local Victory Loan Headquarters will be glad to give you every assistance in making out your order form.
